(2) Is available to TSA on a 24-hour basis.

(3) Review with sufficient frequency all security-related functions to ensure that all are effective and in compliance with this part, its security program, and applicable Security Directives.

The airport operator must maintain ASC training documentation until at least 180 days after the withdrawal of a individual's designation as an ASC.

(d) An individual's satisfactory completion of initial ASC training required under paragraph (c) of this section satisfies that requirement for all future ASC designations for that individual, except for site specific information, unless there has been a two or more year break in service as an active and designated ASC.
